Address: Cambridge Public Library, Preston

View an award-winning cinematic feature film presented by the NFB.

Yuqi Kang
2024 | 1 h 40 min
Documentary
English and Mandarin with English subtitles

In the world of competitive freediving, Jessea Lu (Lu Wenjie) is a legendary figure. The Chinese freediving champion came late to the sport, vaulting into the top tier of talent with remarkable ability and a compulsive drive to challenge her limitations.

During a world-record attempt in 2018, Jessea blacked out and was lifeless for four minutes.

As the boundaries between award-winning director Yuqi Kang and her subject grow more fluid, the two return to the site of Jessea's near-death experience to face the traumas of her past and find a way back to light, air and, ultimately, connection. *7 Beats Per Minute* parallels Jessea's physical and mental journey back from the depths, with intimate cinéma vérité camerawork, astonishing underwater imagery and raw personal interviews.

This program is offered as part of the **NFB in Libraries** program. The film was generously provided for this event by the [National Film Board of Canada \(NFB\)](#).

We encourage you to register for this event. However, limited seating may be available at the door on a first-come, first-served basis.

Presence: Roma XLV

Date and Time: Friday, May 9 7:00 pm - 10:00 pm

Address: 58 Grand Ave S Suite 201, Cambridge, ON

The University of Waterloo School of Architecture (UWSA) is proud to reaffirm our long-standing *Presence* in Rome with an exhibition of design projects, sketches, photographs, and videos contributed by the class of 2025 during the Rome Program.

The material, serving as both a commentary and a criticism of the Italian built landscape, conveys the lasting impact of our 3-month stay in Rome during a pivotal moment in our degree. Since 1979, the Rome Program has been an integral part of the bachelor's degree at UWSA, exposing students to a new approach to architecture and architectural pedagogy.

Condensing three months of work and twenty-eight centuries of architectural history into a time capsule of our observations, this showcase is only made possible by UWSA, the Gaslight District and Fabrik Architects for lending us their space, the broader Cambridge community, alumni, and students of the class of 2025.

We are delighted to welcome you to view our Fall 2024 material in celebration of the 45th year of a continued legacy.

Date and Time: Wednesday, May 21 7:00 pm - 8:30 pm

Address: Cambridge Arts Theatre, 47 Water Street South, Cambridge, ON

We're all in this together in Disney Channel's smash hit musical phenomenon featuring the students of East High.

Disney Channel's smash hit movie musical comes to life on your stage in *Disney's High School Musical JR*. Troy, Gabriella, and the students of East High must deal with issues of love, friends and family while balancing their classes and extracurricular activities.

It's the first day after winter break at East High. The Jocks, Brainiacs, Thespians, and Skater Dudes all find their cliques. Basketball team captain and resident jock, Troy, discovers that the brainy Gabriella, a girl he met singing karaoke on his ski trip, has just enrolled at East High. The couple cause an upheaval when they decide to audition for the high school musical. Although many students resent the threat posed to the "status quo," Troy and Gabriella's alliance might just open the door for others to shine as well.

Come enjoy this performance by our youth actors!

“The past is never dead. It’s not even past.” – William Faulkner

In community archives across British Columbia, local knowledge keepers are hand-fashioning a more inclusive history through family photos, newspaper articles and scratchy old VHS tapes. These different collections tell stories of people building connection through work, play, protest, family and tradition. Through a collage of personal interviews, archival footage and deeply rooted memories, the past, present and future come together, fighting for a space where everyone is seen and everyone belongs. History is what we all make of it.
